“ Keith and I became friends over 30 years ago. We met at the Casmar Cafe where we were a close knit group. Every Friday night we all partied together, listened to music, we had our softball team and we just enjoyed our friends company. Keith will be missed and never forgotten he always treated me with respect I was in the hospital when my friend passed away condolences to the family my friend will never be forgotten he loved playing his guitar and teaching, his 2nd passion was softball. Rest in my friend.

“ Sorry to hear of Keith's passing. Although I never met Keith physically, I chatted with him for years on the Gram Parsons fan page. I hope people sing "Further Along" (the FBB version) at his service! He would love that!
