“ Though we had only known of each other in ladt few years as “Scharff cousins “
through your Mom and mine growing up together in Spring Mill - we fast became
buddies and kept in touch.
We were due to have lunch soon and I am so saddened to have lost your easygoing
company and friendship. You were so brave and resilient through out your long battle
. I will miss our talks and our friendship so very much.

“ Sylvia you always had a something special in things that you did for the family. You
were so much like your Mom and we adored her too. It is so sad for you to leave, but
I know you are not suffering and are with the family. I am also blessed to have had a
few lunches that we chit chatted about things, you, Judy and myself. You left behind
a wonderful brother and we have all your wonderful memories and until we meet
again eternal love . Rita
