“ AI,
You haven't always had a happy life, but you took whatever life handed you with a courage and strength that I would have crumbled under.
I have always respected that about you. Your humility and generosity have been an inspiration to me and I will miss you til the day I die.
Your Loving Brother Wayne.

Our Bud knew how much you, especially, loved him Wayne. He will be missed. He is now pain free and in Mom's arms.
