“ Anna Rose will surely be missed by a lot of people. She always put us up each time we went to the NASCAR races, weather it was family or friends of the family. The men went to the races and the ladies went to all the dollar stores. I always enjoyed being around my aunt she was such a great caring and loving person. Her famous word she said often is (whatever) and when I hear whenever I always think of her. Condolences to the family. ❤️

“ My memories of Anne were developed through my daughter & her daughter, Judy. After college the two of them shared some hotel job in London & have been life-long friends & my Daughter, Jennifer lived with them in Ann Arbor for a short period of time. Anne & Bill were both very congenial & caring people. When I met them, my daughter was getting married & they came to the wedding which was wonderful. Anne & I exchanged Christmas cards for many years & she would always include some jokes that I looked forward to. She leaves her personal legacy of a loving mother, grandmother & great grandmother & will be missed ☐

“ The world has truly lost an angel! She was loved and adored by myself and my 3 kids. Anne never knew a stranger or had an unkind thought. She filled her days thinking of others and how she could make their life better. No one could make better eggs than Anne. We cherish our memories and we're so very fortunate to have known her. Rest In Peace Anne! Love Mickey & Tim, Matt, Alex and Anne.
