

Anthony Joseph Schultz

October 24, 1960 - August 22, 2019

Tony, age 58 passed away on Aug 22, 2019 in Philadelphia, Pa. Tony was born in Norristown, PA on Oct 24, 1960. He is survived by: his daughter Christine; two sons, Justin and Anthony; two brothers, James and Michael; and two sisters, Kathy and Terri. Tony was predeceased by his parents Margaret and Carl, and the love of his life Sherry A (Conseal) Chabaud.

An avid guitarist, Tony had a life long love of music. He always liked to work with his hands and it was no surprise he found success in the trades. Possessed of an immutable spirit, the flare and flash of his wardrobe reflected the burning light of his rebel heart. While he was a man of many flaws, Tony's love for his family, especially his children, was without question.

Relatives and friends are invited to pay respects on Thursday evening, August 29th, from 6-7:30pm at the William A. Moore Funeral Home, 708 Fayette Street, Conshohocken. A service will commence in the funeral home at 7:30pm. Internment is private.

“ I remember Tony as a fun-loving, life-loving guy who always brought a positive attitude to any situation. He was one of my best friends and band mates in the late 70's until the late 80's and also sometimes a hilarious practical joker. Kept us all uplifted even on those occasions when rehearsals did not go well and we needed a laugh. When lugging heavy equipment got too much, we decided to travel light and played a few seasons as an acoustic duo at some smaller venues. Tony and I double-dated a few times and boy were those the days! Once we both hit adulthood we used to take our daughters out for outdoor fun in the afternoons.

One of my favorite Tony moments was when I moved from Upper Darby to Plymouth Meeting and really wanted to make the move in one trip with the U-Haul. I guess initially I didn't do too good a job loading the truck as we still had plenty that didn't fit, but Tony went in and squeezed every square inch of air out and got everything in. Talk about organizing skills, it was truly a Mission Impossible!

Here is a photo of our days jamming with some hometown boys in the 80's (The Ohms). I also love the photo that is posted above, it so well captures Tony's positive spirit and that smile that always said, "No worries, it's all good!"

I have nothing but great memories with Tony and am truly saddened by his loss. My sincere condolences to his family.
