“ I remember going to the zoo and getting ice cream as a diversion for the baby shower. Of course 7 or 8 year old me let the cat out of the bag at some point. I loved you then and now!! Cyndy

“ Oh Popsy, I can't choose a singular memory to share, because there are so many memories that are so special. From teaching us poker at your round table, to vacations in Sea Isle, you never missed a birthday call, a Christmas, or just a check in to see how we're doing. You've made us all feel so loved for our entire lives, and I just hope you know how much we love and cherished you. We weren't lucky enough to have both Pop Pops growing up, losing one very early, but you made up for that tenfold. You were the absolute best grandfather a person could wish for, and I am going to miss you so incredibly much. Love you forever, Popsy!

“ Dearest Uncle Tony,
I will miss you so very much!
Generous, loving and always supportive!
My favorite memory was our trip to Vet Stadium, along with my dad,
many years ago, to watch the Phillies Opening Day game. Bundled
in layers of clothes, boots, hats and scarves to bear the frigid temps,
we managed to remain until the 5th inning. Aunt Betsy saved the
day by helping us to thaw out with hot cocoa.
I have so many wonderful memories!
There will be a great void in all of our lives, Uncle Tony!
Love,
Your Niece Katie

“ My dear Uncle Tony,
I will miss you. I have so many memories. Holiday dinners at your
home, Easter egg hunts in your back yard, barbecues, the TV room
filled with cousins, Sunday morning visits at my parents home,
cinnamon buns and tea biscuits. I am so sad you are gone. We
have lost another great one.
Your loving niece,
Maria Elena
