“ I have so many great memories- those were the best years of my life, having a friend like Barbara. Our kids played together, we shared secrets, laughed til we cried, talked on the phone almost daily...

The time we went to Studio 54, dressed to the nines- only to find out that we were the ONLY ones dressed up!! The time we spent hours running about a mile of cable through your apartment so you could have tv in every room. The summer party ruined by the worst thunderstorm...and we were left to eat the 800 clams we ordered. Barbara was a rare gem, always a lady, loyal friend, beautiful inside and out.

I will miss you so much. You were like a sister to me.

I will see you on the other side, my friend ❤️
