“ *The beach, the piano, and smiles, these are my fondest memories I share with Carmella Marie Delucca. She always had that beautiful smile on her face, and seemed one step away from a schoolgirl giggle. Always generous with music, food, and love, I had the privilege of playing for her and her husband on her piano. She always had something to offer to eat in her home, and long after I stopped seeing her regularly, she continued to send me birthday cards with gifts - as if I were her own daughter. I saw her last December 17th, 2022, after not having seen her for decades. I felt that we understood each other in this moment, and she provided me comfort even though I was not seeking it. We smiled at each other, understanding each other, in the way that was on the verge of a giggle. I thank God for her presence in my life, and for the opportunity to have seen her at her home, the place where so many wonderful memories are held for their family. For my small window into her world, I am grateful. RIP, wonderful and great, compassionate, beautifully hearted lady, Mrs. Delucca. I shall strive to be like you. I am so moved that your will be back with your beloved husband. Love, respect and admiration. Caroline*
