“ I would like to express my deepest sympathy to family and friends. May all of your good memories be greater than your sadness during this difficult time. (Isaiah 25:8)

“ Carol was my sister-in-law. She was strong and courageous regardless of her physical challenges. She never acted like she wanted any special consideration...Every time I met up with her, she went out of her way to ask how I was doing and what my kids were up to. Her concern for others was always obvious. She was devoted to her family and they loved her very much. She made my children feel special and important to her. Her brother and her sisters and Aunt Jean all had a special place in their heart for her for as long as I can remember. I'm so glad she was able to come most recently to Gia's wedding and Josette's baby shower. It took all her strength and much effort to be there with our family.  
Carol will be sorely missed. I know I will never forget her.  
Rest in peace Car! I know your mom's been waiting a long time for you.  
Love you and appreciate all you did for me and my kids, Ria
