“ Craig was my oldest friend, we shared memories for more than 65 years. From playing pinball together and against each other to Craig dating my younger sister in high school to working together at Lee Tire and Rubber Co. in Conshohocken, PA to visiting each other after I moved to Texas. I will miss you Craig!

“ Craig was a close friend for over 40 years. In spite of the times we spent together and all the happy memories, words do not come easy now. I'm glad I got to know him, richer for having done so. The world feels a little emptier today. For those family and friends who are feeling that emptiness, that loss along with me, please take solace in the fact that the loss is only so great because we had so much to lose. Mourn his passing, to be sure, but remember and celebrate his life. Craig was quick to smile, quick to laugh. Although it may hurt, I can think of no better way to remember such a man than with a smile on my face. I'm certain that's what he would have wanted. My deepest and most sincere condolences to Carol and Craig's family. Rest in Peace, my friend. You will not be forgotten.

“ Craig was a great man. Our condolences Carol. The girls and I will miss our days at the pool and I will miss learning from and talking with my godfather. I only wish I had spent more time with him. He was an intelligent and honorable man, someone worth looking up to.

“ *I don't know how to Eulogize a man in one paragraph, but uncle Craig was a man who lived life on his own terms while always being a supportive presence to the ones he loved. Salt of the earth. He will be missed!*
