“ *Aunt Danielle, words can not convey what your presence in my life has meant to me. And i could never count all of the times you stood up, showed up and stayed by my side through times of good/bad and indifference. You always spoke your mind and showed your heart. I have learned how to love, forgive, accept and grow up through you... Lessons well taught. Ill never stop missing you, please look over us all. Love your "Berly"*
