“ *Deb had a calming voice with an infectious laugh. Back in the "Day" she & I had busy lives that included a long distance running. Many of a morning, we would meet up at 6AM in the Middle School with the sun coming for our hilly run. Deb though took running to another level, Ultras. I went to Deb's first Ultra in Happy Valley Penn State's Tussey 50 Miler (if I recall the name). What fun to watch, I am not sure she broke a sweat the whole darn race. We (Joe, my son & I) found various spots to cheer Deb throughout the Mountain roads as she passed by. She did not need cheering really, each time we saw her at these various points, she was smiling & cheerful mostly! :) She had a beautiful spirit and was a hell of a runner. I'll keep Deb's memory alive in my heart. To the Hall Family, very sorry for your loss.*

I would be amiss in my story if i did not mention, Steve, who did a great job cordinating the support of Deb and helping locate spots to see deb. It was very cool watching someone accomplish a 50 mile race, Deb was amazing.

She started with our firm as an administrative assistant and through her hard work, intelligence and determination became a valued member of our professional staff,. She managed to put in the long hours required of a tax professional, raise three children, and train for various marathons with grace. We send our condolences and warm wishes to Deborah's family..*
