“ gosh! I had just seen Debbie's name in the Little Flower annual report as a donor . Our class of 1953 is very generous. The memories I have of her always make me smile. The biggest was "I don't answer to Mary, you have to call me Debbie. Just to tease her it was fun to call her Mary. She was always ready for a laugh, either on the giving or the receiving side. We didn't live near each other, only in school, since my last name was Connor and hers was Conte and we were seated in alphabetical order, we saw each other every day in home room. God bless her family, I know she will be missed. Lorraine Connor McKenna

“ My memories of Aunt Debbie always include a house filled with people and laughter. whether at my parents' home (Hal and Ruth Kollar) or theirs. She and Uncle (cousin) Terry were at every celebration of every rite of passage that I can remember. She was part of the core definition of "family" for me growing up and continuing to this day. She is a treasure to all who knew her and will be missed more than she will ever know. Sending love and condolences to all the cousins. Your are in my thoughts and memories today and always. Love, Mariella Kollar Meinhold

“ *The first time I met Debbie we were single young women dating our future husbands, Terry and Peter (cousins) Naulty at a club in Greenwich Village in New York. Debbie had a zest for life then that never left her generous spirit. So many wonderful memories of our times in NJ, NY, PA, Chicago, IN, Portland OR etc. And meeting Tom Jennings knew he would bring joy into her life. It was a privilege to have Debbie as my friend. Her e-mails cheered me and made me laugh. Prayers for her wonderful family. Ann Naulty in Indiana.*
