“ *A limb has fallen from the family tree I keep hearing a voice saying "grieve not for me but remember the best times,the laughter, the cheer" . You can shed tears that she is gone, or you can smile because she lived you can close your eye and pray that she will come back or open your eyes and see all that she has left. So for me it's not goodbye it's until we meet again  
Deb, love more then you'll ever know
