“ *Several tears were shed yesterday as Momma is truly at peace now. The wonderful stories, support and love showed by those in attendance as well as from afar who took the time to reach out, whether we speak regularly or sparingly, you are all in our thoughts and the love is reciprocated. The memories will live on in our hearts of Mom as well as a couple videos which no one will ever forget the E-A-G-L-E-S chant while our Birds took flight towards the Superbowl. Now Momma you can fly with the Birds! Your little boy Loves you, and we'll all miss you, though never to be forgotten!!*

*Dear Scott, Michael and Family:
It is with heartfelt sorrow to extend my condolences on the passing of your beloved Mom. She truly was a beautiful, loving, kind, caring, soul. It was a delight to have her as a friend and neighbor. The amazing feature of her was her smile. With a hearty laugh she made a cloudy day sunny, a sad day hopeful and the way she loved you children was beyond expressing in words. Her kindness, to this day, is remembered by my family and I will always treasure the times we spent together. May God bless each of you with peace, comfort and awesome memories of a life well lived.

“ My dearest friends! Words can't express my deepest sadness in hearing of the passing of Dianne (our second Mom)! I have so many treasured memories of all of us hanging out as kids and having BBQs and family hang-outs and LOTS of laughter! Those are the memories that I will forever cherish and I will equate them to Dianne! Her personality was a breath of fresh air and she always made everyone feel loved, included and important! I love her dearly and my heart is sad for all of you for this tremendous loss! In the days ahead, please reach out to us if you need anything. We will be praying for peace, comfort and joy to be bestowed upon you. I will cling to these words and know that this promise is true. “Blessed Are Those Who Mourn, for They Will be Comforted” (Matthew 5:4).

*We love you all dearly and we are here for you if you need anything!
Much love and peace to you all!*
