“ *I worked with Dot for many years at Adult Probation & I will never forget our talks & all of the laughs. She told me frequently that one day I would pay for the high heels that I wore- not a lie! When I was having a bad day, she would tell me to close my eyes & she would “take me to the beach...” She was a very special lady & I’m so lucky to have known her. My heart goes out to her family. I know how deeply she will be missed & I will cherish my memories.* ”

“ I worked with Dot for almost 20 years at The Adult Probation Department. For always had a larger than life personality and a laugh that you could not forget. I not only had the privilege to work with her, but I also had the privilege to be friends with her and I got to know her husband and her parents very well. We would visit them from time to time on our lunch breaks. Dot would always talk about how good her husband, Big Ed was to her and her family. She loved him and her children and grandchildren with all of her heart. I will always remember her funny stories and contagious laugh. My condolences go out to Big Ed and the rest of the family. RIP Dot!

“ *Dottie was always cheerful greeting visitors at reception. It is remarkable because some of the clients at probation were not the most sociable or best groomed. I always was grateful for her presence at the front window and enjoyed all my interactions with her. God rest her soul and give comfort to those who loved her.*
