

## Edward J. Lincul

October 13, 1953 - January 12, 2026

Edward J. Lincul, age 72, of West Norriton, passed away peacefully with his wife by his side on Monday, January 12, 2026, after a heroic battle with ALS (Lou Gehrig's Disease).

Ed was born on October 13, 1953, at the Naval Hospital in San Diego. He was the son of Elizabeth M. (Moore) Lincul and the late Rudolph A. Lincul, Sr.

Ed was the beloved husband of Linda (Bonner) Lincul, with whom he shared over 46 years of marriage. They met 50 years ago, and he spent every day with the love of his life. Ed was always up for an adventure with Linda, whether it was trying a new restaurant or traveling. Their favorite places to travel included Hawaii, California, Florida and anywhere with a beach. They loved making memories together. Always and Forever!

Ed grew up in Norristown, attending St. Francis School through seventh grade before moving to Fayette Street in Conshohocken, where he attended St. Matthew's Grade School and Archbishop Kennedy High School. He later graduated from Montgomery County Community College.

Ed began his career with Bell of Pennsylvania in August 1971, directly out of high school. Over the years, he held many roles, including truck transportation and phone installer beginning in 1974, working throughout the Main Line.

Following AT&T's divestiture, he became a computer programmer in New Jersey. In 1986, Ed returned to Bell Atlantic as a computer programmer at the Computer Center located at Temple University. He later transitioned into the Telecommunications IT Department, supporting executive leadership. Ed retired from Verizon in 2011 after 40 years of dedicated service.

Following retirement, Ed continued doing what he loved—working with people and solving IT challenges—serving as IT Manager for McMahon Leasing for many years, and, until recently, as IT Director for Corbett Incorporated.

Beyond his professional career, Ed's heart belonged to West Norriton Little League, where he devoted 37 years as a coach, President, Treasurer, and Member-at-Large. A respected mentor and advisor to countless coaches and parents, Ed was known for always saying “yes” when help was needed. In recognition of his lifelong dedication, he was inducted into the Montgomery County Coaches Hall of Fame in 2021.

Ed also served the community as a member of the West Norriton Township Zoning Hearing Board for 13 years and volunteered at Visitation CYO as both a coach and board member for all of his children's sports. He was loyal both to his community and his parish, Visitation B.V.M., volunteering his time wherever needed.

When Ed had free time, he loved riding his bike along the Schuylkill River Trail and the Chester Valley Trail. He loved riding both with his wife and with his family. He proudly taught all his grandchildren how to ride and cherished riding with them—especially along the boardwalk at the beach. One of Ed's favorite places was Ocean City, New Jersey, where he would load up “VanGoo” and relax at the beach with his entire family. If Ed wasn't working or on vacation, he could be found at the fields watching his grandchildren's sporting events—never missing a game. He loved to spoil them with ice cream after every

event. He could never pass up a chocolate ice cream cone or vanilla milkshake.

Ed had many loyal friends and family, and he was as loyal of a person as it came. If you needed a helping hand Ed was your guy, and was very generous with his time, talents and company: he jumped at fixing things and solving problems, he helped his kids move across the country (multiple times) and enjoyed being everyone's designated driver.

Ed was an avid Philadelphia Phillies fan and watched every single game. His favorite player of all time was Mike Schmidt. In a deeply meaningful moment for Ed and his family, the Phillies honored him on Lou Gehrig's Day with an on-field ceremony. Ed shared his love of baseball with everyone, especially with his grandson Owen.

In addition to his wife, Linda, Ed is survived by his daughter Stacey E. Weaver (Matt), and son Ryan A. Lincul (Jenny); brothers Rudolph A. Lincul Jr. and David A. Lincul (Annette), and sister Suzanne Lamlin (William); and six grandchildren who were the loves of his life—Owen, Olivia, Grace, Bennett, Sophia, and Nolan. He is also survived by his mother- and father-in law, brother- and sisters-in-law, nieces, nephews, cousins, and dear friends.

He was preceded in death by his beloved son, Matthew E. Lincul.

Relatives and friends are invited to pay their respects on Tuesday morning, Jan 20th, from 9:00 a.m. to 10:45 a.m. at Visitation BVM Church, 190 N. Trooper Road, Trooper, PA 19403. Mass immediately follows at 11:00 a.m. in the Church. Burial will be private at a later date.

“ My family lives catty-corner to his house. Our backyards almost bump into one another. This is the best story about Ed that I can tell. It was a lovely day during the summer and I rolled out our cloth awning so I could sit on our deck. All of a sudden, a wild wind blew up. My awning violently went straight up over our house, and when it came back down, I grabbed hold of the front pole to hold it down. Unfortunately, it picked me up about 7 feet off the deck and I screamed. All of a sudden, Ed was there to grab hold of me and bring me down. I was never so happy to see him! He helped me wind the awning in and it's still a little wonky after all these years. But I feel that Ed saved my life that day.

*Beautiful! What a great tribute to a man who showed us how to accept God's will for us and lived God's will with dignity and and love. Ed's beautiful and accepting smile of God' plan for him will forever be in my mind and heart. In the world that God planned for him to go to his heavenly him, the Ed I saw was peaceful and joyful. He was going home to our God and his Matt. Together they will watch out for His dear Linda and his beautiful children and grandchildren! 🙏🙏💕💕💕*

“ *I met Ed freshman year of high school. Since then he has been a much loved and loyal friend. He is also my daughter's godfather. I definitely picked the right person for that job. Ed was a wonderful and truly good man. The thing I think about most is how brave he was through his illness and when I visited him he was still Ed. He always had a smile on his face and never lost that sense of humor of his. I will miss him. Much love to Linda and his family*

“ I am so happy we are able to spend some time with Ed in 2025. Thank you, Linda for graciously allowing us from AKHS class of 1971 to invade your home and spend time with a much loved classmate. Ed was a hero as was his lovely wife. He bore his illness with grace, dignity and humor. He is someone we can always look up to, and be grateful that he showed us how to overcome adversity. Blessings on his wife, Linda, and children and grandchildren.

“ I worked with Ed 40 years ago at the Verizon data center. He was always such a pleasure. My one memory to share(I. also shared on FB too) when i saw a flower vendor with beautiful bouquets outside, I told all the guys they should take home flowers for their wives. The only one who went out and bought them was Ed. It was always obvious how much he loved his wife and children. So sorry for your loss.

“ Ed - my best friend from 7th grade. I'll remember hanging out in your garage, riding bikes, your lime green Twister, Rick Miller's basement, Flyers games. Wow. So many memories even after our marriages we still found time together. Distance separated us as we got older and our time became rarer, but you were always in my memories. Hope to see you again, my friend.

“ I've known Ed since grade school at St Matthew and I don't think I ever saw him without a smile on his face. We suffered similar tragedies in life, but In the end, it is his courage that I will remember. God bless him and keep him.
