“ Aunt Betty, 97, WOW, what a wonderful long life. I'll always remember her as the strong woman who had to deal with all the Italian family ! She was always a positive person, smart and always had a book. She would do anything for her grand kids, even travel to Jamaica to spend a week babysitting.  
Al & Gene I'm sure you have many wonderful memories with your Mom, treasure them.  
I'll keep you all in my prayers as you go this tough process of grief.  
Love to all  
Ginny

“ To the Carline Family: Lloyd and Wilma McNair of North Augusta, S. C. are saddened to hear of Betty's death. What a delightful woman we so enjoyed visiting with when she visited her son, Gene and Marla in their home in North Augusta on two different summers she spent here. She was always so full of life and so interesting to talk with. She will always be remembered for her positive attitude and stories she shared with us. May each of you know we thought the world of her. Sincerely, Wilma and Lloyd McNair.
