“ *The Brady Family,*

Your Mother was special in so many ways and being neighbors made me a pretty lucky guy. I remember so many times that cannot be erased and your mother in her own soft kind way always watching us out the laundry window to make sure we were safe. Your Mom had such a sweat heart and those young years on that row and that town are still very special to me. I hope all of you find peace in all the memories and I am grateful that she was a very special part of my life also.....Scott Leister
