“ Susan was an incredible person. For years now I looked forward to visiting her at the salon every other week. No matter what was going on in my life, she was a comforting presence - always there to listen, give advice, or have a laugh. We would often joke about how I can't keep any plants alive, talk about baby plans, and catch up on what's going on in our lives. I honestly think I shared more with Susan on a regular basis than most other people in my life. I truly valued our friendship.

To Susan's family - I can't express how sorry I am for your loss. I know there's nothing here that will heal your hearts, but I hope you'll take some comfort in knowing how much Susan meant to me and so many others. She'll be forever missed.

“ Susan was a beautiful person and loving neighbor. She brought us peace and happiness with every encounter we ever had with her. She was always friendly, positive and giving. She would bring food and flowers over to us just because. Susan kept her yard immaculate and her garden was always beautiful, you could tell how much she enjoyed doing that work. We will miss chatting with her and seeing her beautiful smile. She was just one of those people who made you happy as soon as you started talking with her. She will be greatly missed and thought of. Our thoughts and prayers are with her family.
