“ *My heart is breaking! Although I haven't seen Irene is a long time, we spent many years together enjoying music, especially of our friends' band. We spent our summers in Wildwood, Wildwood Crest and Cape May. Many mornings, as the sun was coming up, you could find us riding our bikes on the boardwalk. I just dreamt of her last night and thought I would google her to see if I could locate her, I never expected this. Irene was a dear friend who I loved very much. Rest in Peace my friend. My heart goes out to your family.*
