“ *He was by far the most decent caring and loving man I have ever had the pleasure of knowing and the love he had for his family should be an example of what a good human being is! I miss him terribly and I'm glad that he is at rest and with the one's he loves.*

“ Sincere sympathy to the Williams family on the death of Jimmy. I have fond memories of my trip to USA where Jimmy shared so many stories about my late father who had lived and worked there. Both he and Mary Ann made me feel so welcome in their home. May you rest in peace.
