Jean Estelle (Lucas) Oreski- 73 of Conshohocken peacefully entered eternal life on Thursday, August 17, 2017 in Einstein Hospice surrounded by her family.

Born October 30th, 1943 in Watford, England, Jean was the daughter of the late Albert and Phyllis (Wise) Lucas. She graduated from Upper Merion High School, class of 1962.

Her favorite to bake were rum cakes to give to charity and peanut butter cookies with her grandchildren. She loved listening to Elvis, making arts and crafts, and watching Hallmark movies. Jean worked at Wendy's on Ridge Pike for socialization. She always greeted new and regular customers with her kind disposition and a smile on her face. Seven years ago, she had an adventurous time going back to her childhood home in London, visiting where she was born, exploring the beloved city and spending quality time with her cousins John and Diane Wise. She loved touring Buckingham Palace and Windsor Castle, especially The Queen's gardens. Jean's favorite part was attending mass at St. Paul's Cathedral where Princess Diana and Prince Charles married.

Jean is survived by her three children, son Stephen P. Oreski Jr. of Maryland, daughters Shelly P. (Robert) Karwoski of Norristown and Joyce E. (John) Uzdzienski of East Norriton. “ Can't believe today is the day that I have to say good-bye forever. Throughout my life you have taught me that I should love my self for who I am and to let no one change me. You always told me that I was beautiful even tho I said I looked a mess; that I was smart even tho I felt like I messed up; that one day I would find someone that loved me for me even tho I said I would never find someone. You always believed that I could go above and beyond if I believed in my self.

*It hurts that you won't see me do great things in my dream job; that you won't meet that special person that has stolen my heart; to see me get married; to hold your first great grandchild; and just over all see me live my life like you dreamed it would. I will cherish every memory that we had and all the little trinkets that I have that are yours. I will wear your jewelry close to my heart always and when ever I put it on that I will always think of you.*

*It's not a good-bye; it's a "I'll see you later". I hope you and poppy found each other and are watching over me and are proud of what I am doing and what i will accomplish in the future.*

*Love you so much mom-mom ❤️*
