Thanks so much Sherry. I already miss my John more than words can say; however, I know he is free of the constraints from Alzheimer's Disease, which he fought off for 10 years. He always knew me, and for that I was truly blessed.

Thanks so much Helen. Your words of such sincere sympathy are so comforting. Like your Bob, my John was my world, and I feel lost without him, but knowing he is whole again is sustaining.

“ I always enjoyed joking around with John. He was so much fun to talk to. He would keep me laughing. We had a great time at the shore with his Mom and at your family gatherings. Eileen I will always love you and will never forget the sweet memories we have made. I hope some day our lives will cross again. I will see John again when we meet in heaven. Love you. My husband Doug met Butch in the "waiting room" at the hospital immediately before our first children were born (his Barbara and our Christopher). What a serendipitous meeting! We enjoyed many good times and hearty laughs in the ensuing years. We were devastated to hear of his fight with Alzheimer's, and Eileen, I want to tell you that Maureen has had nothing but the highest praise for the love and tender care you showed Butch as this disease slowly took him away. Doug and I send our sincerest condolences to the entire family.

Thanks so much Sue! We have suffered a tremendous physical loss with John's passing; however, as you stated, the great memories we have will sustain us, until we meet again. Maureen has, and continues to be, a great comfort to the family throughout this journey with John, and I love her dearly!
