“ *In my most vivid memories of John John, I can see his big brown eyes and smiling face. Every time I visited the Jeffers' home, John John raced around with my younger brother saying, "Matt! Check this out!" "Matt! Let's play outside!" "Matt! Look at my guitar!" John John wanted to share everything with everyone, and he was eager to make meaningful connections with others. If I had to pick three virtues John John exuded, they would be generosity, joy and love.*
