“ *Kim, Jen and family,*

Kathleen is such a loving soul, I knew her for such a short time and truly fell in love, she was nearly always positive, nearly always smiling and no matter how her day was truly going she had nothing but a kind and loving nature to offer those lucky enough to get to visit with her. I was lucky enough to be part of her life for such a short time and truly feel honored in being able to be there for her. She always brightened my day.

I am so sorry for your loss, may the love and support of family, friends and loved ones carry you through this difficult time.

*with much love, respect and deepest sympathy,
Julie Kiehl*
