“ Dear Harvey, James and Chantal and Jessica, My heart breaks for all of you. Kathleen was always thinking of others and how she could improve their life. She gave unconditional Love to her family, friends and patients. She truly had the Heart of an RN, she cared so much for her patients, she took her job seriously, with empathy and compassion. She always said that her patients were family. We talked about our relationship with Jesus, I pray that she is now in the arms of Jesus and that I will one day see her again. Rest in Heavenly Peace Kathy. Praying for James, Chantal, James III and Harvey McClosky.
