“ *Lynn and I have been friends for over 50 years. Through thick and
thin we managed to find each other. She was very special to me.
Living far from each other was tough but we made it work. Always in
my heart! 😭*

*I've known Linda for many, many years. We were neighbors and
friends. She was a unique and beautiful person. Although we lost
contact over the years, I will always keep her close at heart. Rest
peacefully my friend... I know you're in a good place. God rest your
soul!*
