

Lynne Marie DeFlaviis

April 9, 1964 - January 24, 2021

Lynne Marie DeFlaviis, age 56 of West Chester and formerly West Conshohocken, died with family at her side on Sunday, January 24, 2021 after a heroic battle against ALS. She was born in Bryn Mawr on April 9, 1964 daughter of Margaret (Polkowski) Soppick and the late John R. Soppick. She was the beloved wife of Steven B. DeFlaviis for over 16 years.

Lynne and her siblings were raised in West Conshohocken on Cedar Avenue. She attended St. Gertrude Grade School, St. Mary's Grade School and graduated from Upper Merion High School Class of 1983. She was employed as a medical administrator for a variety of medical companies and physician offices throughout the area. She was a selfless and generous woman, who loved buying things for other people; because money to her was simply a way to make a friend or loved one happy with a special gift. The love and joy in her life was found within her nieces and nephews, whose lives and upbringings she was actively involved.

Beside her mother, Margaret; she is survived by: 2 sisters, Susan E. Fulton (Mark) and their children (Mark Jr., Kathleen, Emily and Matthew); Ellen M. Murphy (David) and their children (John, Megan, Daniel and Kate); her brother, John R. Soppick Jr. (Desiree) and their daughter, Olivia; and countless aunts, uncles, cousins, in laws and dear friends.

Due to the risks associated with the Coronavirus Pandemic; a Catholic service and interment will be held privately and restricted to immediate family.

In lieu of flowers; memorial donations may be made payable to: ALS Assoc. Greater Phila. Chapter; 321 Norristown Road Suite 260, Ambler, PA 19002. In check memo please write, "Lynne DeFlaviis Memorial-Research".

“ Lynne, you showed me what it means to care unconditionally for others, not worrying about all outside nonsense in the world rather you always focused on family and friends ! I will for eternity hear your happy , giddy , pleasant voice greeting me with a big “Hi J !” “How ya doin’ J !?”

“How’s Des Livi and Pup ?! 🐾 “... the countless visits to my house for family parties ,holidays Eagles games, penn state games and Rolling Stones Pay Per View Concerts 😂. You always brought your special pasta salad 🍝 too among other treats. I leaned on you when I was younger I don’t know if you realized that but I admired how hard you worked and you constantly would offer me money on my way out the door to go out with my friends , you without any question forked over \$\$\$ to pay for my entire high school senior week rent because you knew I was trying to scrape up the cash. You also showed me how to be humble and admit that to miss things and people , I’ll never forget our talk years ago when you vented to me about how much you missed Dad , I realized then it’s ok for us to open up and express love. In recent years you and I would say “Love Ya!” to each other to end a convo or text...I’m used to saying that to others now , because of YOU...”thank you for being you Lynne - Love Ya Sis’❤️👍🙌👊

“ I will hold on to the great times growing up around the Soppick household. Lynne was always around & there was always laughter. She always seemed so shocked at the goofy nonsense John & I would do & I can vividly hear her say in a hushed voice...."THOMAS."
A gentle soul who enjoyed giving us grief as our wiser & older protector. I will miss you Lynne! My heart breaks for your family.
Rest in Peace!
