“ *Wrestling with decisions
Sitting heavy on my soul
Looking at the road behind
And the path I've yet to go
This really isn't easy
I don't know what to do
Letting go of all I've been
And all that I've been through
I'm standing at a crossroads
I don't know which way to turn
So full of pain I can't see straight
Through so many tears that burn*

“ *Mom words can't describe the lost we are feeling or the sadness you left us, but deep down inside we know you are at peace . We love you and will cherish the time and memories we have shared. We may not have had all the glory days like we may have wished but we always knew we were only a phone call away. Mom I love and will miss you dearly.*

Love your son,
Keith
