“ *I met Peggy thru a mutual friend and always enjoyed her company. She was funny and pleasant always. My husband, Attilio, knew Peggy's brother Georgie and always asked Peggy about Georgie whenever he saw her. I'm sure she'll be missed and I hope she's resting in peace in the arms of God's Angels.*

“ *I am so very sorry to see that Aunt Peggy has passed. She was always so nice to me and unfortunately we had not kept in touch too much since Grandmom passed. Her Afghans that she made for me and my family were beautiful. To all the Schools family, I am deeply sorry for your loss. I know how much you all meant to her. May she Rest In Peace.*

“ To all of Peggy’s friend and family:
I am so very sorry for your loss <3 I moved in next door to her in October of 2000 and had been closer to her than most of my family! She was such a spunky fun lady who despite our 34 year age difference we were very similar in our personalities and that always made us laugh 😊 She was ALWAYS talking about all of her family and was so proud of everyone and loved you all so much. She was a great neighbor and will be missed VERY much.

“ Ms. Peggy, thank you for the 30 years working with you. I will miss seeing you in the morning and our conversation about how bad the traffic was in the morning, sports, knitting and most importantly our families. You were so proud of your nephews and nieces. Thank you for all the beautiful things that you knitted for my family. May the Lord bless you and give you peace. "I am the Resurrection. I am the life. If you believe in me, even though you die, you shall live forever." +++

The Schools Family: So sorry and shocked to hear of Peggy's passing. We go back many years to days at St. Matthew's School in Conshohocken, basketball games where Peggy excelled and recent telephone conversations discussing world events and past memories. I will miss her and her upbeat personality and generosity. God Bless You Peg.

I was so sad to hear of Peggy's passing. I knew her through Steve's Sewing and was always so happy to see her in class or just catching up at the store. She was such a bright spot in my day.
