“ Rita,

This is you cousin Mike from the other side of Conshohocken. I was sorry to hear about your Mom's passing. I think the last time I saw her was in the A and P parking lot (how long has A and P been closed?) but what I really remember about her was all the "meetings" (actually parties) we had in various houses while we were planning for our yearly family reunions. You always knew what she was thinking but at the same time she always had her heart in the right place.
