“ *Fun, loving, cheerful, helpful, quick of wit, mischievous, and a heart of gold were only a few of Mary Jane's attributes. We shared many youthful adventures both in grade school and in high school. We would recall many of our classmates and memories and have a fond chuckle. Mary Jane never lost her infectious smile. I hope she is smiling down on all of us. My sincere condolences to all of her family.*

“ *There are so many good times and wonderful stories about Mary Jane. She always had a story for you that you were never sure you could believe. But, most of all, we remember how she loved life, her friends, and especially her family. I hope she shares her recipe for cooking thanksgiving turkey with all the other saints. Rest In Peace, dear friend. We will never forget you.*

We all had so much fun with Mary Jane. You made us all laugh and we had such good times together. You were full of life and you had a big heart. The funniest thing I remember was amazing grace. I am sure those that were there will agree. My deepest condolences to your three beautiful daughters. You will forever be in my heart.
