“ Though I did not know Michael, I am distantly related (my mother was Catherine Gerchak Smith and grandparents Joseph and Susan Opet Gerchak). I did want to send my sincere condolences to his family. He must have been a wonderful and loving man. I’m truly very sorry for your loss.

“ Whenever I think of Michael it makes me smile. He had such a great personality, ALWAYS made me laugh. I have alot of special memories growing up as his neighbor, friend, & crushing on him most of my early teenage years. My favorite memory is us sneaking out at night taking walks(all over Candlrbrook area) & just talking about everything! I loved him dearly! Rest peaceful my friend & may your amazing spirit soar!

“ My Dad was the most caring, generous, and loving person. He had so much charisma he always made everyone he met smile and laugh and always had the perfect joke at the perfect time. He shaped me as a person and taught me so much that it can't be summed up in words. I will love him and miss him forever. I love you Daddy.
