“ Michele was my neighbor who lived in the apartment below me. I moved into her apartment in 2015 and when the young lady who lived above me moved out, moved upstairs and she moved back into that same little apartment. Michele was AMAZING she was my Bestest 😊 Neighbor. They'll never be another like her. She Loved the Lord and it showed through her kindness. My forever memory will be her singing to praise GOD, she reminded me of Jill Scott but she couldn't carry that same tune! It didn't matter because she loved our Lord and she'll forever be missed.

“ While it is hard to pick just one memory of Michele to share, I always smile when I think of her sweeping into a room and enveloping those she loved in a huge hug that was always just the thing to make children explode into joyful laughter and to make any adult's day brighter. Thank you for sharing your love with us and your grace with the world.
