“ *I met Randy in 1995 when I started Tae Kwon Do training at the old DeKalb Fitness in Norristown with the Philadelphia School of Korean Karate. Great teacher , very laid back and very quick when he fought. He taught me a sparring combo that I still use to this day. I will miss his dry sense of humor and his tutelage.*

“ *I met Randy when I was taking taekwondo classes at the Philadelphia School of Korean Karate. He was a patient and supportive teacher. He told great stories of the very few times he actually had to use his taekwondo skills outside of the classroom (always in self defense). I will miss him greatly.*
