“ Sending my dearest condolences to you Mr. Frost, Mrs. Frost, Jessica, abs family.  
Hope you are at peace Brother! Love you.  
Looking back now that's what we all were back in those days a close group of Brothers. Friends through grade school, high school, Montco, roommates at Bloomsburg, first Sea Isle shore house summer together, riding our bikes around Conshy, playing in the Silt Basin, endless video games, concerts, lots of parties, beating up on each other just to always have each other's backs when it counted, endless games of home run derby, tackle football in the alleys, basketball, whiffle ball, dances, trips to whatever we could afford to do just to all hang out together, jamming out to all the great music in the 90's, laughing for days on end, Erin Express's. Most of all being part of such a special inseparable lifelong group of friends back then. A true Brotherhood! You were one special dude as you just always just had those 'Frost' moments, one liners, etc! Thanks for being one special friend and brother throughout our life. You will live forever with us with all of those memories. Hope you are at peace Brother!
