“ *Sending my sincerest condolences to the family. Susan was a dear friend and will be truly missed. Her smile, her spirit, her laughter. When we were teenagers I use to call her Tuffy. Even though she was small she was mighty. That strength stayed with her and was something I always admired about her. I will forever cherish sweet memories of her in my heart. Though I won't be able to travel back east for the service on Saturday, I will be there in spirit.*

My sincere condolences to you Michael, Amanda. I'm sorry we had to see each other under these circumstances. Your mom was a loving devoted mother and Grandmom. A wonderful woman who did everything for her children and loved them so very much. Sue gave her everything to everyone and always put herself last. Your mom's presence will truly be missed by all that knew your mother and anyone who did know Sue it was a true blessing. A good soul, sweetest woman. Your mom was a true warrior and fought till the very end. I'll never understand why someone so sweet as your mom suffered with so much. Your mom is in heaven with God and not suffering anymore. May your mom have eternal life. Forever Susan will be in our hearts forever ❤️
