“ *My deepest condolences to the Hogan family. I was very sad to hear of Tom's passing. We became very good friends in grade school, along with Ann Marie, and I knew he always had my back. I remember going to his room after school and watching The Three Stooges... we always called each other Stoogie brothers! I wish I could have seen Tom since those good ole days but me moving to North Carolina did not make that possible. He will always be apart of my St Joe's stories... some good, some funny, some I will only keep between me and him. I pray to our Lord He provides the Hogan family the Will and Strength it will take to get through each upcoming days/weeks/years... Blessing to you all.*

“ *Rest In Peace Tommy. My very first friend and only born only a few days apart. We were like brother and sister growing up. We have lots of history together. The laughter never ended no matter how old we got. We still laughed like children. You will be missed. I enjoyed all of our talks. 🙏🙌💋 Ann Marie Pearson*

I remember Tommy playing basketball, and playing baseball in my parents back yard. As we got older, Tommy went his way , and I went mine. All I can remember are the good old days playing games and running around. God bless you Tommy. Jim Rawlins
