“ *Every time I saw Smokey, I was just happy to see him. We had a lot of laughs together over the years, playing golf, watching Notre Dame or just heading down to Nicks with Mike and the guys. Every once in a while, he would just stop over at work just to check in. We always had a good time. Smokey was a good man, he was my friend and I will miss him.*

“ *Back in St. Matt's high school days, Smokey was a great friend, neighbor, classmate and teammate on the football team. One memory I have is walking from home to football practice with him and when arriving a few minutes early, we did what dedicated athletes do and laid down in the weeds on the northside of Sutcliffe Park and relaxed until the black DeSoto (or was it a Dodge) showed up with Charley Heavey. The other special memory is celebrating with Smokey in the end zone after one of the touchdowns in the Thanksgiving, 1954 game.*

“ *I am so sorry that Smokey is gone. Over many years of being with him golfing, watching Norte Dame football games at Mike's or at CYO games for the kids he was always a gentleman. He taught me a lot of things about golf but mostly more important things about how to live life. He will be sorely missed by the many whose life he touched.*

“ *I surely will miss my buddy, Smokey. He was a great friend to me and my husband for many years. Not seeing him on his front porch reading the paper will need some getting used to. May he rest in peace and be pain free now.....he gave his illness a great fight for many years. God bless Smokey, I miss you. ❤️*
