“ Deepest sympathy to his family. Walley was a long time friend who I will miss deeply. I was blessed to have had many deep conversations with him sharing our experiences in owning our own businesses. Rip Buddy!

“ All the times O would randomly run into Uncle Wally at Wawa, and he would sneak up behind me. You couldn't help but smile when he was around! He had the biggest heart! Maddy always loved when she got to ride in her Poppys car! She loved her Poppy! We all loved him!

I knew Wally and became friends with him from my days working at Young Windows (1967-1981) when we'd have a rush order for a commercial window and we could always count on terrific service from Conshy Auto Glass & Radiator with Jerry & Wally . Wally always had a big heart and loved to laugh!! Rest in Peace my friend!! Prayers for his family.
