“ *Very Sorry to hear of Bill's passing. As a young man just entering the work force, Bill taught me many things about life and business. I still remember the time he sent me to a Redding Phillies game with his son who was in College at the time and our trips to NY and Conn.*

Rest Easy my Friend until we meet again.

“ My heart goes out to the Family. What a life William led. I had the privilege of interacting with his son Chris (truly an honorable man in his own right) and based on those interactions, I know William was a good man who was proud of his family. He served his nation honorably and those who served shall forever call him brother and comrade. He will not be forgotten by his comrades, for wherever a comrade rest, there the ground is hallowed. Thank you to the family for Williams contributions to our nation. Joe H
