### These Hands

..... were most grateful for 90 years of life.

..... were married 70 years to their WWII Fighter Pilot, Charles (Hap).

..... lovingly raised their four children.

..... were most proud of their family and cherished their 8 grandchildren and 11 great grandchildren.

..... lived in 9 states, establishing beautiful homes for their family in each one.

..... toured the Holy Lands and held a deep faith in the Lord.

..... loved to garden.

..... were extremely talented in the arts of oils and watercolors.

..... were a wizard on a sewing machine.

..... served as a flat-bottomed boat eco tour guide to fourth graders at the CHEC environmental center on the Peace River in Port Charlotte, Florida, opening up the young minds to life in the swamps ... alligators and all!

Through our volunteering, we were able to pass along our heartfelt appreciation to all things natural.

..... were an avid bird watcher, especially enjoying relaxing on their Florida lanai with binoculars.

..... loved to drive their red Mercedes 450SL convertible wherever they went in Florida.

..... valued their friendships and enjoyed activities at Arbour Square.
